

Geistfeld: Elsie 5-28-1922.

---

6/2/22

Elsie Geistfeld, daughter of Mr. and Mrs. Aug. J. Geistfeld, died Sunday, a victim of the dreaded scarlet fever. A little over a month ago, she contracted diphtheria, from which she seemed to have recovered nicely. She had even again attended school, but just for three days, when she contracted scarlet fever. Having been weakened by the diphtheria and a former operation little Elsie battled against odds, which were unconquerable. She was laid to rest in St. Peter's cemetery Decoration Day, Rev. Theiss officiating.
