Volunteer with NAMI DuPage!

NAMI DuPage's mission is to provide support, advocacy, and education in order to improve the quality of life of individuals with mental illnesses and their families.

Reception: We are seeking outgoing individuals who are comfortable with using the phone and technology. Preferred customer service experience and knowledge in Microsoft Office applications. Various shifts available: M-F, 9am-12:30pm, 12:30pm-4pm, 4pm-8pm.

Speakers: Speakers are individuals with a lived experience that are in a good place to share their story with others to help inspire. Placements could include hospitals, schools, and other community settings.

RSS/FPP Our Recovery Support Specialists and Family Partnership Professionals have a variety of experiences, diagnoses, and ages and are willing to share their lived experiences in recovery. They are trained to help individuals living with a mental health condition work on short and long-term goals, provide connections to community resources, and lend support along the way. RSS's and FPP's are not therapists but are a complement to the clinical support you receive from a psychiatrist and therapist.

Job Mentors: We are seeking job mentors to help in-person for our clients with mental health disabilities. Duties include helping with resume writing, interviewing skills, mock interviews, and the job search process.
